**APRIL 1, 2017 UPDATES**

The following are changes to the Camporee Leaders Guide:

**Tour Permits:**

Tour Permits are no longer required for any Scouting Activity.

**Camporee Patches:**

There will be three Camporee Patches available for pre-order @ \$6/patch, or all three for \$15. One patch will be a white ghost, one a black ghost, and the other a camo ghost. There is also a Camporee CSP available. Units will be permitted to order one set per scout or leader registration, and those patches will be distributed to the Unit Leader at the Camporee. If anyone would like additional patches, or if you do not pre-order, they will be available at the same price in the Trading Post. By preordering, you do not have to stand in line. Pre-orders must be completed not later than May 1, 2017.

---

**EAGLE SCOUT RECEPTION:**

All Eagle Scouts are welcome to attend the Eagle Scout Reception on Saturday morning. Eagle Scouts under 18 years old will have FIRST preference in line to receive a challenge coin from the Chief Scout Executive. If there are coins remaining, they will be distributed to the Adult Eagle Scouts in attendance, but they may not receive them from the CSE because of time limitations. Location will be announced on Friday evening.

---

**ORDER OF THE ARROW ICE CREAM SOCIAL:**

All members of the Order of the Arrow are welcome to attend the Ice Cream Social on Saturday after lunch. Location will be announced on Friday evening.

---

There is an update for the STEM project guidelines that have been uploaded at the same time this Addenda was posted. Make sure that your unit completes the form and 'attaches' it to your project.

---

We expect to issue a final Camporee Addenda not later than May 10, 2017.

The following is the 2017 Camporee schedule as of April 1, 2017, and it is subject to changes based upon weather and logistical considerations.
