**EXPLANATION of the DISCOUNT-COMMISSION COUPON**

The discount coupon for Operation Halloween is a means for your group to receive a \$3 commission for each person who pays an entrance fee at Operation Halloween using a coupon with your group's name. Besides your group earning a commission, the person who pays the entrance fee will also receive a \$5 discount per person access ticket for hay rides, bounce houses and Zombie Outbreak. (Please see coupon for details.)

**POLICY**

- Upon submission of the above information, your group will receive a "coupon sheet" via email, noting the name of your group on the "coupon sheet". The sheet contains four coupons.
- This "coupon sheet" is to be reproduced by your group. Since each sheet contains 4 coupons, PLEASE, PLEASE cut the sheet into the four sections prior to being distributed to your group's membership.
- You may distribute the coupons to any one and in any manner your group decides (print or electronic). You do not need to keep any record or to make any report to Operation Halloween. If you wish to place the coupon on your website/FaceBook page/etc., please contact us and we will provide you with a "single" discount coupon with your group's name.
- The coupon contains all the information of events at Operation Halloween and therefore can be used "as is" for promotional purposes. The coupon sheet **must not be altered** in any way.
- No coupons are permitted to be distributed to the general public on the day(s) of Operation Halloween at the entrance to or on the grounds of the Citta Scout Reservation. If a group is found to be distributing coupons to the general public, the group's commission will be withdrawn for that day.
- On or about Dec 1<sup>st</sup>, your group will receive a \$3 commission for each coupon/paid admission at Operation Halloween containing your group's name.
