JERSEY DEVIL HAY RIDE SCARE 2018 PARTICIPATION FORM

The Jersey Devil Hay Ride is one event of many that make up Operation Halloween. Operation Halloween is sponsored by the Jersey Shore Council – BSA and the Southern Ocean Rotary Club at the Citta Scout Reservation in Barnegat, NJ.

Groups are invited to present an appropriate “scare” on the Hay Ride trail between 6:30 - 10:00 pm on Oct 26 & 27 (Raindate - Oct. 28 between 6:30 pm – 9:00 pm.) The scare is to be fully manned during these times. A scare should be designed to haunt and scare the Hayride riders and will need to be built completely prior to the event. (The scare can be built and placed on site the week prior to the event.)

A participation commission of \$150 will be given to the group that fulfills their commitment. This commission will be issued after the event and only **if** the scare remains fully staffed for the duration of the event. Your group must be represented at a mandatory safety meeting (date & time TBD) at the Citta Scout Reservation.
