Advisor's Minute

I would like to take this opportunity to thank our Past Chief and Past Lodge Adviser whom have graciously given so much of their time and talent to make Scouting a better experience for our Arrowmen and Lodge. I also want to congratulate our newest Chief and his officers that will help to move our Lodge to the next level. I look forward to helping grow the lodge and increase our visibility in the council. This will be a great year for our members and Lodge.

Yours in WWW,
Rich D'Allasandro
