Not all requirements for each class will be completed during the Adventure Academy. Details on the sessions will be sent by instructor if necessary.

Special Note- Each session for Lion through Bear requires a **parent to remain on site** throughout the Adventure Academy, because the class size is limited, therefore parents may be asked to remain outside of some of the classes, we request one leader or parent to be in the class with their Den.

Note: If you do not complete prerequisites you can still attend the class, you will not get that requirement signed on your card. If there are any prerequisites an email will be sent to the email address that was registered with scout's registration.
