

VOLUNTEERS NEEDED!

At Day Camp, most program areas are staffed with Volunteers playing a critical role serving as Den Walkers, Program Area Staff and other roles. A Den Walker escorts their Den to each area following the camp schedule. Den Walkers and Volunteers run our Activity areas and help at the waterfront. If you are interested in helping at Day Camp please contact us at 341.Camping@Scouting.org. Volunteers who work all five days of Day Camp will receive a \$100 refund after the summer. To qualify for the refund, Volunteers must sign in each day of camp. All refunds will be sent by check in October. Volunteers may be registered Den Leaders or interested parents; simply fill out the Day Camp Adult Leader Application, and attach proof of having taken Youth Protection Training (courses available either "in person" or online!)

At Webelos Adventure Camp, volunteers are responsible for the supervision of their Den during their stay. Camp staff members operate each program area, but volunteers play a critical role in making sure their Scouts are in the right place at the right time, and on their best behavior!

Volunteers are welcome to switch out to accommodate work schedules during the week provided each volunteer has completed the Adult Leader Application and furnished proof of Youth Protection Training. Only Day Camp volunteers in camp all 5 days are eligible for the \$100 refund.

All volunteers must take a mandatory orientation/training prior to attending camp.

DAY CAMP

We offer one week of Day Camp at the Egg Harbor City Lake. The fun is always close by! Activities at day camp are developed around this year's theme - Superheroes!! The adventure comes to life with games, activities, and theme-oriented craft kits that Scouts can take home to remember their time at Day Camp.

Popular activities like archery, BB-guns, swimming, nature programs and games return each year, while sports, scoutcraft and crafts are rotated to provide a well-rounded complement of creativity, discovery, and physical fitness for young people. STEM and Nova will be a part of each camp program!

Some day camp activities may help Scouts with their advancement. The camp provides a list of possible advancement areas that den leaders can reference to determine what requirements the Scout completed during camp.

This tremendous Day Camp program is staffed by trained and dedicated volunteers. Camp leadership attends National Camping School, where they get the latest ideas for great fun for Scouts as well as instruction on how to operate a safe camp. The camp is Nationally Accredited by the Boy Scouts of America, which assures parents that the camp and its program is both well planned, and a safe environment. Tiger Cubs must have an adult partner to attend camp.

Scouts go home each evening, so lunch is the only meal they need. Scouts bring their own lunch each day. Day camp in the Jersey Shore Council is a great adventure right in your local community. We look forward to seeing you and your Cub Scouts at day camp!
