## INDIVIDUAL WEBELOS INFORMATION

Webelos Woods is an outdoor adventure designed to aid in the Webelos-to-Scout transition plan. This all day event is designed to introduce first and second year Webelos Scouts and their parents to the exciting Scouting adventures that lay ahead of them and help make the transition into Scouts BSA exciting. The event is filled with fun activities, intriguing demonstrations, and plenty of outdoor excitement. We will once again have a camping option for Saturday night so that the Webelos can experience the thrill of camping in the outdoors at a Scouts BSA camp, which will foster a desire to continue in Scouting. This will also help complete some of their achievements - Scouting Adventure #4; or AoL Camper #3 and #4. Note: This event can only be used to satisfy one requirement

**PURPOSE:** Webelos Scouting and the activities of the Webelos Den form a natural stepping stone for the Webelos Scout and their parents to move into Scouts BSA. The purpose of this event is to create in all Webelos Scouts a genuine desire to know more about the Scouts BSA program, and through a fun-filled series of activities give them a preview of some of the thrills that await in a Scouts BSA Troop.

The program capitalizes on the Webelos' interest in adventure in the great outdoors as it exposes them to the fun and skills of Scouts BSA. It also offers an opportunity for parents to gain a perspective on Troop programming and the opportunities for adult leadership.

As a result of this program, participants should come away with:

- ✪ An understanding of the Scouts BSA program, the skills required, and the fun that is possible.
- ✪ An appreciation of a Scouts BSA Troop, how it is run, and how it differs from a Cub Scout Pack.
- ✪ An increased desire to continue Scouting in a Scouts BSA Troop.
- ✪ A "feel" for the various Troops in our District, and an idea of which one they may want to join.

**WHO CAN ATTEND:** ALL WEBELOS Scouts (Webelos and AOL Scouts) are invited to participate - provided that one parent or adult partner accompanies them. Each Webelos Scout must be accompanied by a parent if they plan on camping. This event is meant solely for you and your Webelos Scout. We ask that you do not bring siblings.

We are once again inviting the Webelos to "BRING A FRIEND" to introduce them to the excitement that the Scouting program has to offer. Friends must be Webelos age (4th/5th Grade) and be with their parent .

\*\* Since many parents have to work on Saturday, and in order to ensure that all Webelos can attend, one adult may accompany up to two Webelos Scouts if necessary.

**VOLUNTEERS:** Each participating Pack is **REQUIRED** to provide at least **ONE ADULT VOLUNTEER** to serve on the event staff for the day. Volunteers should arrive at Camp at 8:30AM to be briefed on their jobs.

**FEE:** The fee is \$15.00 per Scout and includes a commemorative patch and their lunch; \$8.00 per adult and includes their lunch. There is No Fee for "Friends". Packs are also responsible for a \$10.00 unit fee.

**WEATHER:** This event will be run rain or shine. No refunds will be given, but all registered participants will receive the commemorative patch, even if they cannot attend.

## **EVENT INFORMATION (continued)**

**THE EVENT:** The Webelos Scouts (and their parents) will move from station to station participating in different activities as a Patrol of 6-10 Scouts. Each Patrol will be led by a Scouts BSA Scout acting as a Patrol Leader. The stations/ activities are run by Scouts BSA Troops from our District. This gives the Webelos Scouts first hand contact with the Troops that they might join.

There are no skill competitions at these stations. This is an educational event where the Webelos Scouts are getting a look at Scouting skills which they will soon have to learn.

The event will end with a Closing Ceremony at approximately 5:00PM on the parade field; however, the winners will not be announced until the Closing Campfire.

**HANDOUTS:** At each station the Scouts will receive a handout of information pertaining to that station. They will also receive information from the Scouts BSA Troop that is running that station with all of that Troop's information - meeting times, upcoming activities, contact information, etc. We suggest a binder of some type to store all of the handouts in; but it is not required.

**LUNCH:** Lunch will be served in the Picnic Grove next to the Dining Hall, and will be provided to all Webelos Scouts and parents (no charge). Parents will eat their lunch after the "Parent Meeting".

**PATROL FLAGS:** After the Lunch break the Webelos Scouts will create a Patrol Flag for their Patrol. These flags will be judged at the end of the event.

**PARENT MEETING:** While the Webelos Scouts are eating lunch, the parents will attend a separate parent meeting where the Webelos-to-Scout transition and Troop management will be discussed in more detail. Parents will learn how Scouts BSA is a "youth led" program versus the "adult led" program used in Cub Scouts. Parents will also learn how they can volunteer their time in the Troop. Adults will be provided with their lunch after this meeting (no charge).

**TRADING POST:** The Trading Post may be open during the day from 10AM to 2PM to pick up any last minute forgotten camping needs or to just grab what every Scout wants from the Trading Post.

**DINNER:** All Webelos Scouts and their parents are invited to stay for dinner with the Troops. Even though we are not camping, you can still stay with a Troop to eat dinner with them. Our Troops are hosting dinner in order to get more interaction with the Webelos Scouts, and to show them some real Scouts BSA cooking! This is also an opportunity for parents to interact with the Troop Leaders

**CAMPFIRE:** All Webelos Scouts and their parents are invited to stay for our campfire. Our Scouts BSA Scouts will be putting on a traditional campfire program (Webelos Scouts may participate as well) and the winning Patrols from the day's activities will be announced. You do not have to camp with a Troop in order to stay for the campfire - you can have dinner, attend the campfire and then go home (campfire will end at approximately 8:30PM). We encourage everyone to stay for the campfire!

**CAMPING:** All Webelos Scouts and their parents are invited to camp out overnight on Saturday with the Troop of your choice. This will earn Scouting Adventure Requirement #4. If you do not know which Troop you would like to camp with, you will be assigned to a Troop. You must bring along your own tent and sleeping gear. Each Webelos Scout must have a parent with them and a Medical Form Parts A and B ( NO doctor visit required) in order to camp at this event.

**PATCHES/ RIBBONS:** All participating Scouts / Friends will receive a commemorative patch after the event. Adults may purchase patches as well. Please list the number of extra patches on the Individual Registration Form. All participating Packs will receive a ribbon for their Pack Flags.

**PARKING / CARPOOLING:** We are **strongly** recommending that Scouts from the same Pack carpool to the event as parking is limited at Camp Citta. Along those same lines, please park your cars close to one another - just like in a regular parking lot. You do not need to leave half a car space between cars. Please park directly in front of the parking curbs.

**EQUIPMENT:** All Scouts will work within their Den, or with an assigned group as a Patrol. They are required to bring specific gear. A wagon to haul their gear around camp is optional - but you cannot use the wagons at Citta, you must bring your own wagon. If you are a smaller group that will be combined with another group, please bring as much of the Patrol gear as you can - Be Prepared.

Please see the two lists above for the Individual Gear and the Patrol Gear. This is an important part of the Patrol scoring, and also a lesson in being prepared. Not all of the gear will physically be used during the day, but it will be discussed. They may carry more equipment, but anything beyond the required list of equipment will not be necessary nor will it score them additional points.

**SCORING:** Scouts will receive points for having the required gear, and will lose points for any missing gear - both individual and patrol gear. Being prepared is an important part of the overall Scoring. They will also earn points at each station based on their Scout Spirit and their behavior at the stations. Reminder: There are no competitions at the stations, these are educational stations. Throughout the day the Webelos Scouts will have other activities to keep them occupied which will earn them additional points.

After the event ends, we will tally up the various points and announce the winning patrols at the Closing Campfire. The First Place Patrol gets to take home the coveted Silver Platter!
